

Elevate Your Potential for *Success!*

EMP360: Elevate My Potential

EMP360: Elevate My Potential is a 12-week introductory course designed in partnership with Repertoire, Inc. and 21stCenturyEd to empower young people ages 16–24 from the Lithonia, Georgia area to take charge of their futures. The course is built around six dynamic modules, with two lessons in each module for a total of 12 lessons—one per week.

Introduction to Education Pathways: CDA Readiness Program (EMP 360 | Lithonia, Ga.)

A practical, hands-on introduction to early childhood education, this 8-module course prepares teens for the CDA certificate by building real-world skills and core knowledge for success in childcare careers.

Introduction to HVAC Pathways: Class I Career Readiness Program (EMP 360 | Lithonia, Ga.)

An 8-module HVAC readiness course that introduces HVAC careers and builds the safety habits, employability skills, mechanical fundamentals, and entry-level technical knowledge needed to confidently step into a formal Class I HVAC training program.

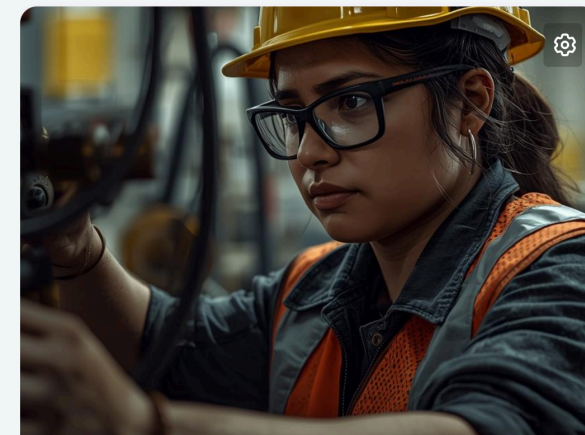

Introduction to Nursing Pathways: CNA Readiness Program (EMP 360 | Lithonia, Ga)

A practical, hands-on course that prepares teens for Certified Nursing Assistant (CNA) training. Build foundational academic, healthcare, and professional skills through real-world activities, skill labs, and mock exam practice.

Introduction to GED Preparation Pathways: Career Readiness Program (EMP 360 | Lithonia, Ga.)

An 8-module online GED prep course for Georgia learners (16+) that builds math, reading, writing, science, and social studies skills—plus the academic literacy and test-readiness strategies needed to pass all four GED subject tests.

Introduction to Facilities Management Pathways: Career Readiness Program (EMP 360 |...

An 8-module, career-ready introduction to facility management that builds workplace professionalism, safety skills, and hands-on understanding of building systems, maintenance, energy, and facility operations aligned to the FMP pathway.

Introduction to Information Technology Pathways: CompTIA A+ Readiness Program (EMP 360 | ...)

A hands-on, 8-module course preparing teens for CompTIA A+ training and IT careers by building foundational tech skills, troubleshooting abilities, and professional habits through practical labs and exam practice.

Introduction to HVAC Pathways: Class II Career Readiness Program (EMP 360 | Lithonia, Ga.)

An 8-module career-readiness course introducing commercial HVAC systems, safety culture, troubleshooting, and the technical foundations needed to enter Class II-aligned training pathways—built for ages 16–24 and adult re-entry learners.

Introduction to Carpentry Pathways: Career Readiness Program (EMP 360 | Lithonia, Ga.)

An 8-module career readiness course that prepares ages 16–24 and adult re-entry learners to transition into carpentry training or apprenticeships through jobsite safety, foundational tools and measurement, blueprint basics, framing systems, codes/estimating, and project planning aligned with Georgia contractor licensing pathways.

Introduction to Plumbing Pathways: Career Readiness Program (EMP 360 | Lithonia, Ga.)

An 8-module introduction to plumbing career pathways in Georgia that builds jobsite readiness, safety habits, and foundational plumbing skills—from tools and measurements to system layouts, codes, and basic project planning.
